Parts and Hardware List

A.	Top Assembly	1 pc
B.	Legs	4 pcs

* Please make sure that you have all the parts and hardware indicated above before you begin assembly of this item.
* This item should be assembled on a soft surface to prevent scratching of the finish during assembly.
* This item may require periodic tightening.

Attach Legs

1. **Attach Legs (B)** Place the Top Assembly (A) upside down on the floor. Insert the exposed threads of the Legs (B) into the pre-threaded holes in the corners of the Top Assembly (A). Secure by turning in a clockwise direction.
   Note : the pre-threaded holes are " spring loaded ". Once the legs have been tightened, you may need to use care and turn the legs further to allow the legs to align in position with the unit. The spring load of the pre-threaded holes will hold the legs secure.
